**SHARRON ANGLE TO FILE FOR NEVADA SENATE DISTRICT 15**

### ***"I Am The Strongest Person To Stop The Radical Democrat Agendas In The Nevada Senate"***

**Reno, Nevada - Sharron Angle To File For Nevada Senate District 15:** Today at 3pm, Sharron Angle will file to run for the Nevada Senate in District 15. With two ultra-woke far left liberals running for the same seat, Sharron Angle has the name recognition and reputation as a conservative to keep District 15 Republican, as it has been for decades.

**Sharron Angle Is A Known Reliable Conservative Legislator:** *"I have a proven record of vote NO and know how to gather up enough votes to sustain a solid VETO, on unconstitutional laws, on unfunded mandates, tax increases, and poor public policy",* said Mrs. Angle.

**Sharron Angle Will Be A Defender Of Governor Lombardo's Vetos:** *"With a state record of 75 vetos, Governor Lombardo already knows he is going to need strong voices to stop the radical Democrat agendas that were attempted in 2023. I will be standing with Governor Lombardo every time in the Nevada Senate to stop those radical agendas, even if that means setting another state record. What Nevada really needs is a Republican controlled Legislature in 2025",* said Mrs. Angle. In 2003, Sharron Angle fought all the way to the US Supreme Court to preserve the 2/3 vote requirement to pass taxes and fees in the Nevada Constitution and won. Today, the 2/3's vote is the law of the land, **EXCEPT, when Democrats ignore it as they did in 2023.** That's why Sharron Angle is needed in the Nevada Senate, to stop this illegal activity and help sustain Governor Lombardo's Vetos.

**Sharron Angle Is A Known Reliable Legislator** running in District 15 for the Nevada Senate. Go to [www.VoteSharronAngle.com](http://www.VoteSharronAngle.com) and get more information on how you can help her win this race to protect your freedoms and your money.

**For information or an interview** with Sharron Angle be available at the Washoe County Registrars Office at 3:15 PM, or call 775 400-5770 to schedule.
